ABOUT US

Our vision is to create an equitable world where people feel safe and included.

We achieve this through our mission to empower workplaces to create equitable and inclusive cultures through research, consulting and training.

WHAT WE DO FOR OUR CLIENTS (CORE COMPETENCIES)

We enhance workplace culture by unlocking the power of Diversity, Equity and Inclusion (DEI). We work closely to identify strengths and gaps in workplace culture and tailor solutions that meet specific workplace development needs.

WHAT WE PROVIDE (CORE SERVICES)

RESEARCH - Capture diversity metrics and inclusion data.

CONSULTING - Review policies, procedures, and frameworks for recommendations on best practice.

WORKSHOPS - Facilitate interactive leadership and staff workshops.

EXECUTIVE COACHING - Develop inclusive leadership mindsets and skills.

E-LEARNING - Customised self-paced online learning for leaders and staff.

WHY WE PROVIDE THE BEST VALUE (DIFFERENTIATORS)

- Our research-led approach takes a 360 view to measure and track company-wide change to ensure the best ROI.
- We are a global, multicultural and multidisciplinary team and provide diverse perspectives through lived experience.
- Our workshops build foundational knowledge and practical skills to enhance workplace culture.
